

MUSIC HOMÈRE OFFERING MUSIC TOGETHER

Protection plan for registered families in times of COVID-19

1. HYGIENE

Measures

Availability of hydro-alcoholic gel at the entrance of the room for hand disinfection.

It is forbidden to shake hands or hold hands and hug (unfortunately!).

Regular ventilation of the room, at least after each lesson.

2. SOCIAL DISTANCE BETWEEN ADULTS

(1.5 m minimum)

Measures

Maintaining a distance of 1.5 m at arrival, during discussions, after class and on the way out.

A symbolic territory (individual mats per family) + scotch tapes on the floor will allow the adults to maintain the same distance during class.

No physical contact between adults (parents and teacher). Instructions given verbally, at distance.

3. MASKS

In public spaces of the premisses, for adults

Measures

Masks are compulsory for adults in the public spaces of the premisses but not in the classroom where the social distance will be maintained.

3. CLEANING

Regular and adequate cleaning of surfaces and objects after their use by the class.

Measures

Disinfection of the door handle by the teacher before the participants arrive ; the teacher personally ensures that everyone disinfects their hands before entering the room.

Regular and adequate cleaning of surfaces and objects by the teacher after use.

4. INFORMATION

Measures

Only registered persons are allowed to participate in the class.

An attendance list is kept to ensure traceability.

CONCLUSION

This document has been prepared on the basis of Music Together recommendations : x yes no
